Do you think it is important for students to learn how to give presentations at school?

解答

QUESTION 1

Do you think it is a good idea for people to have a car?

Yes, I think so. I have two reasons.

First, if people have a car, they can move easily from place to place.

They do not have to worry about changing trains or buses when they travel.

Second, cars are helpful when people go shopping.

People do not have to carry heavy bags a long way if they have a car.

QUESTION 2

Which do you think is better for people, borrowing books from libraries or buying books at stores?

I think it is better for people to borrow books from libraries.

First, people can save money.

Books cost money to buy, but it is free to borrow them from libraries.

Second, people do not need a lot of space for books if they borrow them from libraries.

They can use the space in their homes for other things.

QUESTION 3

Do you think school classrooms in Japan should use air conditioners in the summer?

Yes, I do. I have two reasons.

First, summer is getting hotter and hotter in Japan.

It will be easy for students to study during the summer if school classrooms use air conditioners.

Second, some Using students become ill if the classroom is too hot.

Using airconditioners in the summer will stop students from feeling bad.

QUESTION 4

What is the best age for people to start learning English?

Twelve years old is the best.

To start, it is important to learn your own language first.

Twelve-year-old children know how to read and write already.

This makes it easier for them to learn a new language.

Also, they understand why English is important.

Many young children do not know this, so they do not try hard.

QUESTION 5

Do you think it is important for people to eat breakfast every day?

I think it is important for people to eat breakfast every day.

First, people can study or work better if they eat breakfast.

Without breakfast, they often feel too tired to do anything in the morning.

Second, breakfast can be a good chance for people to communicate.

They can share information at the beginning of each day.

QUESTION 6

Do you think it is better for people to live in a house or in an apartment?

I think that apartments are better.

First, I think that houses are more expensive than apartments.

If people live in an apartment, they can use their money for other things.

Also, these days, many people live alone.

If you live alone, you do not need a lot of space.

Therefore, I think people should live in apartments.

QUESTION 7

Do you think it is good for children to watch TV?

I think that watching TV is good for children.

To begin with, they can learn many things.

For example, they can learn about the world by watching the news.

Also, children need time to rest.

There are many interesting TV shows, and watching TV gives them a chance to relax.

Therefore, I think watching TV is good for children.

QUESTION 8

Do you think it is important for students to learn how to give presentations at school?

Yes, I think so.

First, if students make presentations at school, it will be easier to make speeches in front of other people.

It will be very useful when they start working in the future.

In addition, they can learn computer skills.

When making presentations, people usually use computers.

Therefore, they will get better at using computers, too.
